

Remarks

Claims 8-13, 16-17 and 22-24 are pending.

Claims 8-13, 16 and 17 have been allowed. Applicant proposes to amend Claim 22 to recite forming an emitter of a group III/VI semiconductor selected from the group consisting of GaS, GaSe, GaTe, InS, InSe, InTe, and TIS. Based on the Examiner's statement of reasons for allowance, this added limitation should also place Claim 22 in condition for allowance, along with depending Claims 23-24.

The foregoing is believed to be a complete response to the outstanding office action.

Respectfully submitted,

H. Liao, et al.
